Council Meeting.

The Clay City Council at its regular session last Wednesday night had a great deal of talk about the opening of a number of the streets that are now fenced up and other important matters, but no action was taken. The time set to elect teachers for the city school was the regular May meeting. The teachers' salaries were cut about \$5.00 per month. The decreased revenue made this reduction necessary or an increase of taxation. The tax rate could legally be raised to as much as \$1.35 per hundred—60 cents for school purposes and 75 cents for general purposes. The limit formerly was 50 cents for school purposes, but the last session of the Legislature raised this to 60 cents.

Time to Clean Up.

It is now cleaning up time and no one should neglect in time to put all the property under their control in a better condition. With a little work and a little whitewash one's premises can soon be enhanced in looks not less than \$100.00. And besides the sanitary improvement which amounts to more than anything else.

Another Tax Sale.

The City Marshal will next week advertise more property for sale for tax, and in this sale there will be a great deal more property offered than before. Every one owing the city any tax and has any property must pay up, say the city officials. This means that everyone that is now owing the city any tax and has any property in the city, the same will be levied on and advertised for sale in the next issue of the TIMES. There is no putting this matter off any longer, the rule is imperative, everyone who owes the city tax will be dealt with exactly alike and the officers say there positively will be no further delay in action under any promises to pay later. Now is the only time to pay and save cost and penalty.

Death of Wm. Neal.

Wm. Neal, of this city, who has been in a hospital at Lexington the past few weeks for the treatment of stomach trouble, died there Friday and was brought here for burial, and the remains were laid to rest in the cemetery Sunday afternoon. Funeral services by Rev. R. A. Irvin at the residence before interment. He leaves a wife and four children living. He was about seventy years old and was twice married.

The Bridge Fund.

Look at our bridge fund this week. We publish names of all persons subscribing less than \$5. We will in the future report all amounts subscribed under the total previously reported, and not carry all names as formerly, as it takes too much space for this. Proper credit has now been given to each individual subscriber whether it be one hundred or one dollar.

City Papers vs. Local Papers.

The papers of the large cities are all right if you want them, but it is your own home paper that advertises your churches, your numerous societies, sympathizes with you in your afflictions and rejoices with you in your prosperity. In short it is the local paper that mentions the thousand and one items in which you are interested during the year, and do not find in papers of large cities.

The Tax Sale.

The tax sale was pulled off in this city Saturday. But two sales were made as all of the others paid their tax and penalty before day of sale. H. O. Warmouth bought five feet of the Combs lot advertised adjoining him for the tax and cost; James Bloom bought the Jameson property for tax and cost.

Arrested for Theft.

Upon advice from the officials of Montgomery county where the theft was perpetrated, a fellow by the name of Curtis was arrested in this city yesterday for stealing twenty-seven dollars and lodged in jail to be held for the proper authorities.

A full line of cakes, candies and fruits at Anderson's Grocery.

DEATHS.

Miss Annie Baber, aged twenty years, died at the home of her mother, Mrs. Sarah Baber, on Little Creek Tuesday after a lingering illness with consumption. Burial Wednesday at the Ware burial ground.

The little four-months old child of Mr. and Mrs. Jeffie McKinney, of Vaughn's Mill, died Sunday. It had been a very delicate child since birth and the fond parents, though greatly grieved never expected to raise the little one.

A telephone message from Mt. Sterling announces the death of Sam Hart, of Montgomery county, aged 72 years, of creeping paralysis. Funeral at his home and burial at Mt. Sterling cemetery today. Deceased is a brother of Mrs. T. J. Fletcher of this city, and a well known citizen of Montgomery county. Mrs.

Fletcher is at Mt. Sterling attending the obsequies.

N. D. Burgher, notice of whose death appears elsewhere in this issue in "Obituary" has many relatives in this, Estill and Clark counties, among them being the editor of this paper who is his great nephew.

The Clay City summer girl who refused to don her wearing apparel until after Easter, missed a good opportunity for an early display during the summer days of March.

Marion McKinney sold a work horse this week to John W. Henry for seventy-five dollars.

J. H. Dawson has bought the Wm. Curtis farm on Red river of W. J. Christopher for \$3,400. Mr. Dawson will to this farm at once.

Mr. and Mrs. Bennie Poer, of Clark county, visited their daughter, Mrs. T. S. Christopher, at this place a few days last week.

John W. Dawson and family who moved to Columbia Falls, Mont., the first of last February where Mr. Dawson intended to engage in the timber business, will return to their "Old Kentucky Home" in the next few days. Mr. Dawson failed to find the timber business there so profitable as he expected, hence their return.

Railroad Suit Compromised.

Estill county has compromised the famous railroad case in which the county has been in litigation with the bond holders for the past several years. In the compromise the county is to pay the bond holders \$58,650.00. The amount of these bonds is \$50,000 with interest for nearly eighteen years.

Nineteen years ago Estill county voted \$100,000 to the railroad built through that county which was then known as the Richmond, Nicholasville, Irvine & Beattyville R. R. While the terms of the proposition on which the issuance of bonds in payment of this amount was never complied with by the railroad company, it is claimed, \$50,000 worth of these bonds were issued to the railroad when the road was completed to Irvine seventeen years ago. The county officials have all along since these bonds were issued refused to provide for their payment, and the matter all the while has been in the courts which has invariably decided against the county. The face value of these bonds with interest will amount to over \$100,000. Thus it seems that the county has made a good deal in effecting a compromise for about half their face value.

The Local Banker's Guide.

While the local banker is not always infallible in his judgment, it can be put down as a pretty sure thing that there would be millions less hard earned money squandered every year if no outside investments were made except on his recommendation. If you have a bonanza mining enterprise and it is so shaky a financial backing that your banker wouldn't put his money into it, it will be a pretty safe thing to steer shy of.

Raising Subscription Rates.

Owing to increased price in all kinds of material which goes to make up the local paper, the Frenchburg Agitator has doubled their subscription rate. This is almost inevitable. The Times is just in the same attitude, but we are not going to make any advance in the subscription price yet, still if all kinds of printing material continues to go up it will in the near future be unquestionably impossible to publish any kind of a local paper for 50 cents.

The TIMES has for the past several weeks received through the mails more money than usual on subscription, and most of them who send in their money, speaks in the most favorable terms of the paper, all of which the publisher appreciates so much. The publisher would so well like to make mention of each one sending us money through the mails, but has found entirely too many of these remittances this Spring to make such mention. However we appreciate the favor just the same.

I am now doing business again as of old, and am still gaining daily." Best tonic medicine on earth. Guaranteed by Swann-Day Lumber Co's store. 50c.

Wake Up! Wake Up!!

And realize the fact that I am here to help you as well as myself. Why in the name of common sense should you keep on encouraging a high price store when I am offering you the same goods, and really much fresher, at a saving of from 10 to 50 cents on the dollar. Some measly competitors will tell you all kinds of stories about shoddy goods, short weights and etc., but come and judge for yourself by giving me a fair trial. Don't knock and tell others if we make a mistake, but tell me and I will gladly do my part to correct same and thank you besides. Don't forget the fact that before I opened my grocery and cut the prices, you got only 14 pounds of sugar for \$1.00, and other goods in proportion. So if you are now able to get a little more at other stores than formerly, it's because I made it so. Therefore you should give credit to whom it belongs, and show your appreciation by trading with me.

DALVAY.

Chestnut horse 8 by the Commoner
(son of Hanover and Margerine by Al-
gerine) dam Levisa by Brutus, second
dam Llera by Fonso, third dam Aidenta
by Canada. Bred and raced by Talbot
Bros., Paris, Ky., and sold as a three-
year-old to M. H. Fichenor, of Chicago.

Dalvay's only start as a 2-yr.-old was
at Washington Park track, Chicago, on
July 14, 1903, when he ran unplaced in a
purse race won by Blumenthal with
Dungannon second and Martius third.
As a 3-yr.-old, however, he was well high
inavincible, being inside the money in
each of his starts. With a single break,
where he finished second, Dalvay won
eight straight races, beating the best
horses at the Chicago track. The fol-
lowing is his record for the year 1904:

June 20, Hawthorne—Purse three-

olds, one mile—Ananias 100, won; Dal-
vay 102, second; Miss Crawford 104, third.
Seven starters. Time, 1:41 3-5. \$75.

In 1905 Dalvay started three times

Last year Dalvay was started twice.
At Brighton Beach July 28 he finished a
good fourth after having been practical-
ly left at the post, and Aug. 13 at Sara-
toga broke down and has not since been
trained. It will be noted that in his race
at Harlem Sept. 9, 1904 Dalvay ran a
mile in 1:39, defeating a number of the
fastest horses in the West. He won,
pulled up by two lengths and could un-
questionably, have made better time
had it been necessary. In all Dalvay
won twelve races, was four times sec-
ond, once third and four times unplaced.
His winning totaled \$9,290.

This most excellent horse will make
the season of 1907 at the stable of Thos.
Conlee one mile west of Stanton at the
low service fee of \$10.00.

This is an excellent opportunity for
Powell county farmers to get the serv-
ice of a thoroughbred horse. There is
no better in the State.

Alcohol from Cornstalks.

Professor Wiley of the depart-
ment of agriculture says that inas-
much as every 100 pounds of corn-
stalks will yield six and a half
pounds of absolute alcohol it is ob-
vious that the ignorant agriculturist
has been allowing an enormous am-
ount of wealth to go to waste.

Say that one acre will yield from
ten to twelve tons of grain stalks,
or about 20,000 pounds, and you
have a quantity of raw material
which will produce 1,300 pounds

of absolute alcohol, or 216 gallons.
Alcohol at the present is worth 40
cents a gallon.

Professor Wiley says that the al-
cohol derivable from the cornstalks
that now go to waste in this country
would not only drive all the ma-
chinery of the factories but would
furnish the requisite power for all
the railroads and steamboats, run
all of the automobiles, heat and
illuminate all the houses and light
the streets of every city in the union.

A Kansas boy has married a
girl whose name and address he
found in a package of cigarettes.
He will ultimately see the evil
of the cigarette habit no doubt.

There is no need to hunt for
trouble, it will find you just as
quick.
